Kraft Foods Recalls Cottage Cheese Products for Inappropriate Storage Temperatures

(JUNEAU, AK) – Kraft Foods Group has issued a recall for select Knudsen Cottage Cheese, Breakstone's Cottage Cheese, Simply Kraft Cottage Cheese, and Daily Chef Cottage Cheese products because some ingredients used in these products were not stored at safe temperatures, which could create conditions leading to premature spoilage and/or foodborne illness.

The recalled products may be identified by the code dates from May 9, 2014 through July 23, 2014 located on the bottom of the cup or the top of each package. Simply Kraft products subject to the recall are only those with a plant code of 06-245 on the bottom of the cup and a case code date without any “W” (e.g., “21 JUL 2014”).

Recalled Product	Size	Units/ Case	Code Dates only from Plant 06-245	Package Code	Case Code
